13 H 30

The Speaker addressed the House as follows:-

Yesterday, the Member for Beaches–East York gave me notice of his intention to raise a point of privilege relating to his dealings with the National Advertising Standards Council. The Member subsequently provided me with additional material, which I have now reviewed.

I want to advise the Member that I stand by my remarks yesterday in which I emphasized that Members' peripheral, subsidiary duties as a people's representative, as opposed to their primary duties as a legislator in this Chamber or a Committee, cannot normally give successful rise to a valid point of privilege.

The situation of which the Member complains involves a civil federal regulatory body and the rules it applies in adjudicating public complaints about advertising. In no way does this agency's treatment of the Member equate to a violation of his privileges, and specifically his freedom of speech, as the Member contends. His freedom of speech is not absolute or unrestrained. It applies to his work as a legislator in the conduct of parliamentary business, but not beyond that to advocacy or representative roles unrelated to the business of the House.

I therefore reiterate my finding of yesterday that a *prima facie* case of privilege has not been made out by the Member for Beaches–East York.

The Speaker addressed the House as follows:-

I beg to inform the House that, pursuant to Standing Order 69(b), the House Leader of the Official Opposition, the Member for Windsor–St. Clair, has notified the Clerk of his intention to file a reasoned amendment to the motion for Second Reading of Bill 58, An Act to amend certain statutes in relation to the energy sector.

The Order for Second Reading of Bill 58 may therefore not be called today.
