(d) If such a motion passes, the Speaker shall ensure that the bill is called for consideration at Orders of the Day on the day or days specified. Filed on June 13, 2002.

11. Mr. Agostino – Resolution – That, in the opinion of this House, the Standing Committee on Finance and Economic Affairs should be empowered to study the potential impact of tax incentives for individuals who purchase fitness memberships in order to encourage a healthy lifestyle. The Committee will be given up to six months to study and report back to the Legislature with recommendations respecting improved health outcomes; including the reduction of healthier individuals burden on the healthcare system.

The Assembly recommends that the Committee begin its deliberations no later than September 2002 and report back to the House no later than February 2003. Filed on June 26, 2002.

12. Mr. McGuinty – Resolution – The Ontario Legislative Assembly condemns the Eves government's private health care bias and demands that each of the following conditions be met before any decision is made to farm out MRI and CT testing to the private sector. The conditions stipulate that:

- Access to medically necessary services be universal, through a single public payer (OHIP), so that those with money are not allowed to buy their way to the front of the line;

- MRI services within the public system be expanded and all existing MRIs be running at full capacity;
 - Reforms to our health care system be based on evidence, not ideology, with conclusive and verifiable proof demonstrating that proposed private MRI services are in fact cheaper, better or faster than the public alternative;
 - Funding for private MRI clinics be no greater than that available to public providers and that the process for obtaining one be fully transparent;
 - Private clinics not be allowed to offer any mix whatsoever of medically covered and uncovered services; and
 - A centrally managed waiting list process be in place so patients cannot queue jump simply by visiting private clinics. Filed on June 27, 2002.
17. Mr. Kwinter – Resolution – Debated and lost on division October 31, 2002.
18. Mrs. McLeod – Resolution – That, in the opinion of this House, the Ernie Eves government should immediately establish minimum standards of care for nursing homes and Homes for the Aged, including the re-introduction of minimum hours of nursing care and the requirement for a minimum of at least one bath a week. Filed on October 23, 2002.
