ORDERS OF THE DAY

ORDRE DU JOUR

Opposition Day

Jour de l'opposition

Mr. Tory moved,

M. Tory propose,

That the Legislative Assembly calls upon the government,

To recognize that the McGuinty Liberals have presided over a 55% increase to Ontarians' electricity bills since coming to office, despite their promise to cap rates until 2006; and

To recognize that the McGuinty Liberals' irresponsible, unpredictable and unplanned electricity policy will only increase costs for consumers and business going forward; and

To recognize that families, farmers and businesses in communities such as Ottawa, Kingston, Aurora, Brantford, Guelph, Kitchener, London, Niagara Falls, and North Bay will be amongst some of the hardest hit by skyrocketing rates and increased charges; and

To recognize that the unpredictable McGuinty Liberal energy policy is and will continue to choke Ontario's economy, chase potential investment from the province, and seriously damage our competitiveness; and

To recognize that a well planned, informed, and non-political electricity policy is needed immediately, that such a policy must include meaningful conservation measures and that no one source of generation should be shut down without an adequate amount of reliable and affordable supply available to replace it.
