**ORDERS OF THE DAY****ORDRE DU JOUR****Opposition Day Number 4****Jour de l'opposition numéro 4**

Mr. Tory – That the Legislative Assembly calls upon the government,

To recognize that the McGuinty government was made aware of the Six Nations' land claim issues at Caledonia in August 2005, yet allowed the situation to escalate to a full-blown standoff starting on February 28, 2006;

To recognize that the McGuinty government refused even to acknowledge the Caledonia land occupation as a provincial issue until Day 42 of the standoff;

To recognize that the McGuinty government's *Places to Grow Act* was a catalyst in igniting the standoff, since it provides a legal framework for the McGuinty Liberals to designate any area of land as a growth plan area;

To recognize that the McGuinty government further provoked the situation with a regulation identifying the Greater Golden Horseshoe area as the first area for which a growth plan will be prepared;

To recognize that the Premier's procrastination and failure to show leadership when it was most needed, allowed this situation to escalate into a public safety crisis;

To recognize that the McGuinty Liberals have refused to compensate the OPP for the unforeseen costs incurred while policing Caledonia and to reimburse municipalities policed by the OPP that sent officers to Caledonia;

To recommend to the Lieutenant Governor in Council that a Commission be appointed to inquire into and report on how absence of communication and lack of leadership by Premier McGuinty and his Liberal government allowed the Caledonia situation to escalate to a full-blown standoff and subsequently a public security crisis;

To accept recommendations from the Commission directed to preventing similar chaotic confrontations when dealing with future land claim issues in the province, including recommendations with respect to ways in which we can improve dispute resolution in this area and enhance respect for the rule of law; and

To grant the Commission powers under the *Public Inquiries Act*. Addressed to the Premier of Ontario.

**SPECIAL DEBATES - OPPOSITION DAY****DÉBATS SPÉCIAUX - JOUR DE L'OPPOSITION**

4. Mr. Tory – That the Legislative Assembly calls upon the government,

To recognize that the McGuinty government was made aware of the Six Nations' land claim issues at Caledonia in August 2005, yet allowed the situation to escalate to a full-blown standoff starting on February 28, 2006;

To recognize that the McGuinty government refused even to acknowledge the Caledonia land occupation as a provincial issue until Day 42 of the standoff;

To recognize that the McGuinty government's *Places to Grow Act* was a catalyst in igniting the standoff, since it provides a legal framework for the McGuinty Liberals to designate any area of land as

a growth plan area;

To recognize that the McGuinty government further provoked the situation with a regulation identifying the Greater Golden Horseshoe area as the first area for which a growth plan will be prepared;

To recognize that the Premier's procrastination and failure to show leadership when it was most needed, allowed this situation to escalate into a public safety crisis;

To recognize that the McGuinty Liberals have refused to compensate the OPP for the unforeseen costs incurred while policing Caledonia and to reimburse municipalities policed by the OPP that sent officers to Caledonia;

To recommend to the Lieutenant Governor in Council that a Commission be appointed to inquire into and report on how absence of communication and lack of leadership by Premier McGuinty and his Liberal government allowed the Caledonia situation to escalate to a full-blown standoff and subsequently a public security crisis;

To accept recommendations from the Commission directed to preventing similar chaotic confrontations when dealing with future land claim issues in the province, including recommendations with respect to ways in which we can improve dispute resolution in this area and enhance respect for the rule of law; and

To grant the Commission powers under the *Public Inquiries Act*. Addressed to the Premier of Ontario. To be debated today.

**SPECIAL DEBATES – WANT OF  
CONFIDENCE**

**DÉBATS SPÉCIAUX – CENSURE**

Mr. Runciman – That, in the opinion of this House, since the Premier has failed to ensure the highest level of integrity for his ministers, and that, while under a cloud of scandal, his government as a whole is sorely lacking vision and any real plan to deal with the urgent issues facing Ontarians and their pocket books, the government no longer has the confidence of this House. Filed on October 13, 2005.

**PRIVATE MEMBERS' NOTICES OF  
MOTION**

**AVIS DE MOTIONS ÉMANANT DES  
DÉPUTÉS**

6. Mr. Arnott – That, in the opinion of this House, the Standing Committee on Finance and Economic Affairs should immediately begin an investigation into Ontario's industrial and economic competitiveness, to develop an action plan to maintain and expand our domestic and international markets in the coming years. Filed on October 26, 2005.
7. Mr. Wilson – That, in the opinion of this House, the Government of Ontario should start a campaign to educate the public about Bill 191, Highway Traffic Act Amendment Act (Emergency Vehicle Safety), 2002, that requires motorists to slow down and, where possible and safe to do so, move to a lane not adjacent to the one in which an emergency vehicle is situated to protect police officers, firefighters and other emergency personnel whose vehicles are stopped on the shoulder of the province's roadways with the red lights flashing. Filed on November 15, 2005.
10. Ms. Horwath – That, in the opinion of this House, the Ontario Liberal government refuse to allow garbage from the Greater Toronto Area to be brought to Glanbrook Landfill site or anywhere in the City of Hamilton without authorization of a majority of members of Hamilton City Council and/or a referendum of Hamilton residents. Filed on December 14, 2005.
12. Mr. Arnott – That, in the opinion of this House, the Government of Ontario should establish a fund to support the families of first responders, such as fire fighters, police officers, paramedics, and medical personnel, who lose their lives in the line of duty, providing a benefit of at least \$500,000 to the families of these fallen heroes. Filed on April 25, 2006.

15. Mr. Chudleigh – That, in the opinion of this House, the Government of Ontario should immediately begin to utilize more accurate population counts when calculating its contribution to various provincial programs and funding partners; and that these population counts be determined through municipal tax rolls and include a multiplier to account for children. Filed on May 16, 2006.
16. Mr. Wong – Debated and carried June 1, 2006.
17. Ms. Horwath – That, in the opinion of this House, the Government of Ontario should urge the Government of Canada in the strongest possible terms to reconsider its refusal to protect and enhance progress on child care and should uphold the 2005 negotiated agreements on early learning and child care; and

That the Government of Ontario should honour its commitment to new, annual provincial funding to create new child care spaces in Ontario, beyond those targeted to be in place by September 2006, by investing the \$300 million it promised in 2003 to expand the high quality provincial program of accessible, affordable, regulated and licensed, not-for-profit child care. Filed on May 31, 2006.

18. Mr. Arnott – That, in the opinion of this House, to enhance the role of the Private Member, and allow for the debate of more Private Members' Ballot items, the Standing Orders should be revised as follows:-

That Standing Order 8(a) be amended in the second line by deleting “10:00 a.m.” and substituting “9:00 a.m.”; and

That Standing Order 96(b) be amended in the first and third lines by deleting “2” and substituting “3”. Filed on May 31, 2006.

June 1, 2006.
206. Mr. O'Toole – Enquiry of the Ministry – Would the Minister of Agriculture, Food and Rural Affairs please indicate when the provincial government plans to come forward and join the federal government, as promised, to address the issues of long-term programs and policies for the farmers of Ontario, in order to secure the sustainability of rural communities. June 1, 2006.
207. Mr. O'Toole – Enquiry of the Ministry – Would the Minister of Environment please respond to the concerns of citizens regarding the impact of a north Oshawa composting facility on the environmental integrity of the Oak Ridges Moraine, as a recent fire at the facility site revealed the presence of plastics and other impurities within the composting material being stored at the designated location. June 1, 2006.
