Mr. Duguid – That, in the opinion of this House, the Minister of Community Safety and Correctional Services should request the Chief Firearms Officer to conduct a study to identify ways of better regulating ammunition which includes consideration of additional mechanisms to further restrict and/or ban the sale and possession of ammunition for hand guns and to share relevant findings with Federal and Provincial/Territorial partners.

Mr. Ferreira – That, in the opinion of this House, the Legislative Assembly of Ontario call on the Government of Ontario to move expeditiously to establish and implement a comprehensive landlord licensing program, to ensure minimum standards for rental accommodation throughout Ontario, with the following features:

The program would be fully integrated with existing municipal property standards by-laws and Part XIV (Maintenance Standards of the Residential Tenancies Act, 2006);

Administration and enforcement would be the responsibility of the Ministry of Municipal Affairs and Housing, and could be assigned to individual municipalities by agreement;

Landlords would be required to obtain a licence for each residential complex containing more than 10 residential units;

Annual licence fees would be paid into special funds dedicated to supporting program administration and enforcement;

Residential complexes would be regularly inspected and work orders would be issued to ensure compliance with minimum standards;

Repeated failure to comply with work orders would be dealt with by a rent escrow system, whereby tenants in the affected residential complex would pay part of their rent into a special account, administered by the landlord licensing program and used to ensure that repairs are carried out;

Serious infractions would result in prosecution and substantial fines could be imposed on conviction; and

That the Government of Ontario report back to the Legislature on the implementation of this program during the spring 2007 sitting.

SPECIAL DEBATES - OPPOSITION DAY**DÉBATS SPÉCIAUX - JOUR DE
L'OPPOSITION**

Mr. Tory – That, in the opinion of this House, the Premier has failed to ensure the highest level of integrity and responsibility for his ministers, the most recent example being when lottery-playing Ontario citizens were ripped off and the Minister responsible sat idly by and did nothing;

That, in the opinion of this House, the McGuinty government as a whole has breached the faith of the people of Ontario, has failed to protect their interests, failed to address the urgent issues facing them and their pocketbooks, and failed to deliver meaningful results; and

That, in the opinion of this House, the Premier should start upholding standards of integrity, responsibility, and accountability. Addressed to the Premier of Ontario. To be debated on Wednesday, April 4, 2007.

**SPECIAL DEBATES – WANT OF
CONFIDENCE****DÉBATS SPÉCIAUX – CENSURE**

Mr. Runciman – That, in the opinion of this House, since the Premier has failed to ensure the highest level of integrity for his ministers, and that, while under a cloud of scandal, his government as a whole is sorely lacking vision and any real plan to deal with the urgent issues facing Ontarians and their pocket books, the government no longer has the confidence of this House. Filed on October 13, 2005.

Mr. Tory – That, in the opinion of this House, due to the Premier's weak leadership in dealing with the Caledonia issue and his refusal to even acknowledge the severity of the issue by consistently trivializing the 100-plus days of occupation as having passed "without incident";

And, due to the fact that the McGuinty government has abandoned its own clear-cut conditions precedent for the negotiation talks to resume;

And, due to the injury of 16 OPP officers and the irrefutable damage caused to the image and reputation of the OPP – Ontario's respected police force upon which Ontarians depend to maintain law and order in this province, and for which the McGuinty government is ultimately responsible;

And, due to the fact that the McGuinty government has placed itself in a weak negotiating position and has set a potentially dangerous precedent by purchasing the land while it continues to be occupied by parties subject to a court order which has not been complied with;

And, due to the fact that the McGuinty government has further weakened its negotiating position by resuming negotiations while a majority of suspects named in arrest warrants remain at large (including one wanted for attempted murder of an OPP officer), contrary to Premier McGuinty's own conditions;

And, due to the McGuinty government's refusal to uphold the rule of law as it applies to all residents of Ontario without exception;

The Legislature of Ontario has lost confidence in the McGuinty government. Filed on June 21, 2006.

**PRIVATE MEMBERS' NOTICES OF
MOTION****AVIS DE MOTIONS ÉMANANT DES
DÉPUTÉS**

- Mr. Wilson – That, in the opinion of this House, the Government of Ontario should start a campaign to educate the public about Bill 191, Highway Traffic Act Amendment Act (Emergency Vehicle Safety), 2002, that requires motorists to slow down and, where possible and safe to do so, move to a lane not adjacent to the one in which an emergency vehicle is situated to protect police officers, firefighters and other emergency personnel whose vehicles are stopped on the shoulder of the province's roadways with the red lights flashing. Filed on November 15, 2005.

10. Ms. Horwath – That, in the opinion of this House, the Ontario Liberal government refuse to allow garbage from the Greater Toronto Area to be brought to Glanbrook Landfill site or anywhere in the City of Hamilton without authorization of a majority of members of Hamilton City Council and/or a referendum of Hamilton residents. Filed on December 14, 2005.
12. Mr. Arnott – That, in the opinion of this House, the Government of Ontario should establish a fund to support the families of first responders, such as fire fighters, police officers, paramedics, and medical personnel, who lose their lives in the line of duty, providing a benefit of at least \$500,000 to the families of these fallen heroes. Filed on April 25, 2006.
17. Ms. Horwath – That, in the opinion of this House, the Government of Ontario should urge the Government of Canada in the strongest possible terms to reconsider its refusal to protect and enhance progress on child care and should uphold the 2005 negotiated agreements on early learning and child care; and

That the Government of Ontario should honour its commitment to new, annual provincial funding to create new child care spaces in Ontario, beyond those targeted to be in place by September 2006, by investing the \$300 million it promised in 2003 to expand the high quality provincial program of accessible, affordable, regulated and licensed, not-for-profit child care. Filed on May 31, 2006.
18. Mr. Arnott – That, in the opinion of this House, to enhance the role of the Private Member, and allow for the debate of more Private Members' Ballot items, the Standing Orders should be revised as follows:-

That Standing Order 8(a) be amended in the second line by deleting "10:00 a.m." and substituting "9:00 a.m."; and

That Standing Order 96(b) be amended in the first and third lines by deleting "2" and substituting "3". Filed on May 31, 2006.
20. Ms. MacLeod – That, in the opinion of this House, the Government of Ontario take a leadership role in working with the Rideau Valley Conservation Authority and the City of Ottawa in order to ensure the historic site of Dickinson Square remain under the auspice of public ownership and management. Filed on June 12, 2006.
21. Ms. Horwath – That, in the opinion of this House, the Minister of Labour should direct the Workplace Safety and Insurance Board to establish a joint trusteeship model for the governance of the Workplace Safety and Insurance Board (WSIB) Pension Plan and, accordingly, make it clear that the Government of Ontario expects the implementation of joint trusteeship to be considered in the context of any review of the WSIB Pension Plan. Filed on June 14, 2006.
22. Mr. Tabuns – That in the opinion of this House, to ensure equal treatment of co-mothers, as ordered by Justice Rivard, the Government of Ontario immediately proclaim the amended Section 9 of the Vital Statistics Act, relating to Certification of Birth, which reads:

‘The mother and father, or either of them, in such circumstances as may be prescribed, or such other person as may be prescribed, shall certify the birth in Ontario of a child in the manner, within the time and to the person prescribed by the regulations.’,

and via regulation, identify co-mothers as persons who can certify a child's birth. Filed on June 21, 2006.
25. Ms. DiNovo – That, in the opinion of this House, the Government of Ontario should immediately end the clawback of the National Child Benefit Supplement from all families in Ontario. Filed on October 2, 2006.
26. Ms. DiNovo – That, in the opinion of this House, the Government of Ontario should immediately commence construction of not-for-profit rent geared to income housing units in order to keep its election promise of building 20,000 units; and begin to meet the housing needs of the 122,000 Ontarians on waiting lists for affordable housing. Filed on October 19, 2006.

28. Ms. Horwath – That, in the opinion of this House, the Government of Ontario should urge the Federal Government to restore the \$5 million (40 per cent) cut to Status of Women Canada (SWC), which is a vital government agency for women’s rights, opportunity and equality. Filed on November 1, 2006.
35. Ms. DiNovo – That, in the opinion of this House, the property tax rate levied by the Province on small business should be applied more equitably across the Province, and the tax rate for small business should be set at the same rate for the entire Greater Toronto Area, and that level of taxation should be frozen. To mitigate municipal costs, an uploading of the downloaded cost for social programs (excluding education) should be assumed by the Province on a phased in basis over 10 years. Filed on December 12, 2006.
36. Mr. Tory – That, in the opinion of this House, the Government of Ontario, pursuant to Section 10 of the Fiscal Transparency and Accountability Act, 2004, should bring forward a regulation that, with all party consent to the exact wording of the regulation:
