1. Mr. Runciman – That, in the opinion of this House, the McGuinty Liberal government's failures to develop and implement effective long-range plans to ensure the economic well-being of Ontario, have led the province to the brink of "have not" status and placed in jeopardy our ability to support cherished services such as health and long-term care, the environment, infrastructure renewal, education, transportation, tourism development, secure and affordable energy supplies, safe communities and agriculture. Addressed to the Premier of Ontario. To be debated today.

1. Mr. Sterling – That, in the opinion of this House, the Government of Ontario must demonstrate its belief in the principle of representation by population by addressing the inequity in representation at the provincial level through the creation of an Independent Boundaries Commission to ensure Ontarians receive equal and effective representation as guaranteed in the Charter of Rights in their provincial legislature before the Government of Ontario can demand fair representation by population for Ontarians within the House of Commons. Filed on December 12, 2007.
