ORDERS OF THE DAY

Opposition Day

Ms. Horwath moved,

That, in the opinion of this House, the McGuinty Government has failed to adequately consult Northern Ontarians, their communities, industries and First Nations on issues of critical importance to the region's future. The decision not to hold public hearings on Bill 151 in the North and the same lack of consultation on the part of the McGuinty Government, in cooperation with the Harper Government, to impose the HST demonstrates a lack of respect for Northern Ontario. We call on the McGuinty Government to commit to a consultation process that ensures that decisions about Northern Ontario are made in the North and not dictated by Queen's Park.

A debate arising, after some time, the motion
was lost on the following division:-
