Ms. MacLeod moved,

M<sup>me</sup> MacLeod propose,

That the motion be amended by deleting all the words following "on this basis," and the following be added:-

- Adequate funding of First Nations land use planning.
- Implementation of provisions that allow for the creation of a joint body that would be composed of equal numbers of First Nations members and Government of Ontario officials. Filed May 15, 2012.

23. Mr. Arnott – That, in the opinion of this House, the Minister of Transportation should announce that Alternative 4-3 of the GTA West Corridor Study, which could result in the construction of a new highway cutting through the Town of Halton Hills, has been removed from further consideration. Filed May 15, 2012.

Filed October 3, 2012.

35. Ms. Horwath — That, in the opinion of this House, the government should delay the implementation of the Ontario Lottery and Gaming Corporation's transformation of gaming strategy until after the 2014 Ontario Municipal Elections in order to allow those municipalities who wish to undertake a referendum on the issue of being a host site for a casino in a cost effective way on the Municipal ballot, the opportunity to do so and that the government should freeze any changes to the Slots at the Racetracks partnership in order to enable the horseracing industry to continue to operate while the government engages the industry in a robust consultation with the goal of ensuring its survival, stability and growth in Ontario.
