NOTICES**AVIS****SPECIAL DEBATES – OPPOSITION DAY****DÉBATS SPÉCIAUX – JOUR DE
L'OPPOSITION**

2. Mr. Singh – Debated and carried on recorded division March 27, 2013.
3. Mr. Dunlop – That, in the opinion of this House, whereas the McGuinty-Wynne Government's decision to create the *Ontario College of Trades* will impose yet another job-killing tax on hardworking trades-people by levying millions upon millions of dollars of new fees that have no clear benefit and that will go to a new government bureaucracy that is not accountable, resulting in increased costs of trades services upon everyday Ontarians; and,

Whereas Ontario's trades-people already pay fees for licenses and other government fees, the new *Ontario College of Trades* will merely become yet another government bureaucracy that no one wants or needs and will make life more expensive for all Ontarians and make everything from getting a haircut, to hiring a plumber, to buying a new home, to getting your lights or heating fixed or to having your car repaired more expensive; and,

Whereas Ontario has struggled enough under 10 years of deliberate decisions that have increased taxes and overspending in Ontario and a failure to attract more people, especially young people to skilled trades, the imposition of the *Ontario College of Trades* is nothing more than a jobs tax that will make job creation more expensive and it will drive even more Ontarians out of the trades or out of Ontario;

Therefore, the McGuinty-Wynne Liberals should abandon their misguided job-killing trades tax and abolish the *College of Trades*. Addressed to the Minister of Training, Colleges and Universities. To be debated Wednesday, April 10, 2013.
