**ORDERS OF THE DAY****Opposition Day Number 4****ORDRE DU JOUR****Jour de l'opposition numéro 4**

Ms. Horwath — Whereas Ontario's Financial Accountability Office has reported that "with the sale of 60 per cent of Hydro One, the Province's budget balance would be worse than it would have been without the sale";

Whereas Ontario's Financial Accountability Office has discredited the government rationale for selling Hydro One by showing that while the government claimed the sale would raise \$4 billion in new cash for infrastructure, the sale may raise as little as \$1.4 billion;

Whereas the government claimed the sale would reduce the provincial debt by \$5 billion, and the Financial Accountability Office showed the sale will actually increase the debt by \$2.7 billion by 2025;

Whereas the sale of Hydro One will mean losing half a billion dollars in stable, annual revenues;

Whereas selling Hydro One will mean less revenue to invest in transit, healthcare, or education;

Whereas the Liberal government has sold approximately 15% of Hydro One, but the government can stop the sale of any further shares;

Whereas there is still time for the Premier and Cabinet to halt the sale of all of the remaining shares of Hydro One;

Therefore, in the opinion of this House, the government shall immediately stop the sale of any more shares in Hydro One.

Addressed to the Premier.

L'OPPOSITION**

4. Ms. Horwath — Whereas Ontario's Financial Accountability Office has reported that "with the sale of 60 per cent of Hydro One, the Province's budget balance would be worse than it would have been without the sale";

Whereas Ontario's Financial Accountability Office has discredited the government rationale for selling Hydro One by showing that while the government claimed the sale would raise \$4 billion in new cash for infrastructure, the sale may raise as little as \$1.4 billion;

Whereas the government claimed the sale would reduce the provincial debt by \$5 billion, and the Financial Accountability Office showed the sale will actually increase the debt by \$2.7 billion by 2025;

Whereas the sale of Hydro One will mean losing half a billion dollars in stable, annual revenues;

Whereas selling Hydro One will mean less revenue to invest in transit, healthcare, or education;

Whereas the Liberal government has sold approximately 15% of Hydro One, but the government can stop the sale of any further shares;

Whereas there is still time for the Premier and Cabinet to halt the sale of all of the remaining shares of Hydro One;

Therefore, in the opinion of this House, the government shall immediately stop the sale of any more shares in Hydro One.

Addressed to the Premier. To be debated today.
