ORDERS OF THE DAY

ORDRE DU JOUR

Opposition Day

Jour de l'opposition

Ms. Horwath moved,

M^{me} Horwath propose,

Whereas Ontario families and businesses are now struggling to pay hydro bills that have skyrocketed due to privatization policies enacted by Liberal and Conservative governments; and

Whereas for over a century, Ontario's system of public power made our province an economic powerhouse that provided good jobs and prosperity for Ontario families and businesses; and

Whereas the Liberal government sold off its majority ownership of Hydro One, Ontario's oldest and most important public asset, without consulting the people of Ontario and without an electoral mandate; and

Whereas instead of lowering rates as the Premier promised, the privatized Hydro One continues to seek sharp rate increases on behalf of private shareholders that will further harm Ontario families and businesses;

Therefore, the Legislative Assembly calls on the government to immediately begin to bring Hydro One back into public hands by financing the purchase of shares using Hydro One shareholder dividends, moving towards the people of Ontario owning Hydro One once again.

Debate arose and after some time,
The question was then put.
