**ORDERS OF THE DAY**

Opposition Day

Ms. Horwath moved,

Whereas 86,000 Ontarians are diagnosed with cancer every year, half of Ontarians will develop cancer in their lifetimes, and one in four Ontarians will die from cancer;

Whereas innovative new therapies allow cancer patients to take medication at home instead of having to visit the hospital for lengthy IV treatments, but the cost of these medications are not covered by OHIP;

Whereas British Columbia, Alberta, Saskatchewan, and Manitoba cover the cost of take-home cancer drugs;

Whereas many take home cancer treatments can be more effective, yet the lack of coverage under Ontario's current drug program forces people to accept less effective treatment if they cannot afford to pay out-of-pocket;

Therefore, the Legislative Assembly calls on the government to ensure universal access to take-home cancer drugs so no Ontarian has to pay out-of-pocket for life-saving treatment.

Debate arose and after some time,

The question was then put.
