ORDERS OF THE DAY

Opposition Day

Ms. Horwath moved,

Whereas the previous Liberal Government left Ontario hospitals underfunded and unable to meet patient demand; and

Whereas the current Conservative Government has continued with these policies; and

Whereas communities such as Brampton are struggling with long hospital waits and hospitals that are routinely operating well over capacity; and

Whereas the Peel Memorial Centre has been overcrowded, to the extent that for every 100 patients it is funded to see, 500 have walked in the door needing care;

Therefore the Legislative Assembly calls on the Government of Ontario to ensure that the Fall Economic Statement provides hospitals across the province with funding that reflects patient need, and allocates necessary funding for the immediate Phase II expansion of Peel Memorial Centre, as well as the necessary funding for the immediate construction of a new hospital in Brampton.

Debate arose and after some time,

The question was then put.

Lost on the following division:-
