The Speaker addressed the House:-

Le Président s'adresse à l'Assemblée :-

I would like to ask for the attention of the House once again, to address the issue of the participation of Independent Members. On October 28, 2019, as a result of vacancies in the House in the ridings of Ottawa Vanier and Orléans, I informed the House that the time available to the remaining Liberal Independent Members during debate on Second or Third Reading of government bills or on a substantive government motion would be reduced to 15 minutes.

As a result of Liberal Independent members being elected again in those ridings, I am now able to restore the previous time allotment. During debate on Second or Third Reading of government bills or on a substantive government motion, I am prepared to recognize any of the Liberal Independent Members to speak for up to 20 minutes. Furthermore, as noted in previous statements, pursuant to Standing Order 26(d) this time may be split with other Independent Liberal Members.

I would like to thank you for your attention.

With unanimous consent,

Avec le consentement unanime,

On motion by Mr. Calandra,
