Ms. Horwath moved,

M<sup>me</sup> Horwath propose,

Whereas COVID-19 has had a devastating impact in Ontario's long-term care facilities, accounting for more than half of all COVID-19 related deaths in the province since March 2020; and

Whereas statistics show that there have been more COVID-19 related deaths in long-term care facilities in the second wave than in the first wave, despite the Ford government's promise of an iron-ring; and

Whereas Ontario's Long-Term Care COVID-19 Commission has publicly shared significant concerns about the Ford government's slow response in providing requested documents and records and the impact these delays have had on their investigation, to the point where the Commission felt it necessary to request more time to complete their study; and

Whereas the Minister of Long-Term Care has rejected the Commission's request for an extension despite the delays and missing documents; and

Whereas numerous questions still remain about the effectiveness of the Ford government's response to COVID-19 in long-term care and steps taken to protect some of Ontario's most vulnerable residents;

Therefore, the Legislative Assembly calls on the Ford government to grant the request of Ontario's Long-Term Care COVID-19 Commission for an extension of their mandate to December 31, 2021 and to immediately release all government documents requested by the Commission.

Debate arose and after some time,

Il s'élève un débat et après quelque temps,

The question was then put.

La question a ensuite été mise aux voix.
