ORDERS OF THE DAY

Opposition Day

Ms. Horwath moved,

Whereas COVID-19 has tragically revealed the systemic failures of long-term care in Ontario; and

Whereas the previous Liberal government expanded privatization in long-term care, causing an erosion of care that now needs to be reversed; and

Whereas successive Conservative and Liberal governments failed to hold accountable for-profit long-term care operators who prioritized profit over safety and quality of care; and

Whereas evidence suggests that COVID-19-related deaths in long-term care were more frequent in for-profit long-term care homes than those operated by municipalities or non-profit organizations, and research data from as far back as 2011 suggests for-profit facilities “are less likely to provide good care than non-profit or public facilities”; and

Whereas the Ford Government acted faster to pass Bill 218, the *Supporting Ontario’s Recovery and Municipal Elections Act 2020* and shield negligent for-profit operators from accountability than it has to improve quality of care for our parents and grandparents or the working conditions of the PSWs and medical professionals who take care of them; and

Whereas some homes, such as Pickering’s Orchard Villa facility, are still being considered for licence renewal and expansion by the Ministry of Long-Term Care, despite the horrific conditions uncovered by the Canadian Armed Forces that resulted in 70 COVID-19 deaths in the home; and

Whereas investing in not-for-profit long-term care would mean that more money is available to improve the quality of care for our loved ones who call these facilities home, and multiple studies show that not-for-profit facilities provide, on average, more hours of care per resident and are better at retaining the qualified staff our loved ones depend on; and

Whereas the Ford government is preparing to reward some of the for-profit companies with the worst performance records during the first and second waves of the pandemic with 30-year licences and millions of dollars in public funds;

Therefore, the Legislative Assembly calls on the Ford government to place an indefinite moratorium on the issuing of new licences and the renewal of licences of for-profit long-term care providers and prioritize the development of not-for-profit long-term care in Ontario.
