SPECIAL DEBATES – OPPOSITION DAY**DÉBATS SPÉCIAUX – JOUR DE
L'OPPOSITION**

2. Ms. Horwath — Whereas nursing shortages across Ontario have resulted in temporary ER shutdowns, growing wait times for surgeries and procedures, and increased burnout for nurses who are working longer and harder because of the pandemic; and

Whereas the shortage has also impacted long-term care and persons with disabilities who rely on nurses for support to attend school and other daily activities; and

Whereas the former Liberal government froze hospital budgets and cut 1,600 nurses, and the Ford government has not restored these positions; and

Whereas the stress of understaffing and burnout caused by the pandemic was only made worse by the Ford government's decisions to cut funding for sick leave for nurses isolating due to on-the-job COVID exposure; and

Whereas the rate of nurses leaving the profession is double what it was before the pandemic and Bill 124's wage cap unfairly penalizes nurses and other frontline workers, preventing them from negotiating salaries that keep up with the cost of living in Ontario, and has forced nurses to pay back pay increases that have been fairly negotiated; and

Whereas Ontario is facing a dangerous shortage of critical care nurses, cancer care nurses and other essential ICU and surgical staff, yet the Ford government has failed to take decisive action on an aggressive recruitment and retention strategy;

Therefore, the Legislative Assembly calls on the Ford government to take immediate action on a province-wide healthcare hiring and retention plan that includes the repeal of Bill 124, more education and training opportunities, full-time hours, paid sick days for all health care workers, decent wages and the funding necessary to ensure sufficient staffing to prevent burnout, reduce wait times and ensure the high quality, timely care Ontarians deserve.

Addressed to the Premier. Filed October 20, 2021. To be debated Monday, October 25, 2021.

Filed October 6, 2021.
 6. Mr. Gates — That, in the opinion of this House, the Ford government should, out of respect for the work done by Ontario’s nurses, PSWs and other public sector workers, immediately repeal Bill 124, *Protecting a Sustainable Public Sector for Future Generations Act, 2019* and allow the negotiation of fair wages for their critically important work on behalf of the people of the province.
