**SPECIAL DEBATES – OPPOSITION DAY****DÉBATS SPÉCIAUX – JOUR DE L'OPPOSITION**

5. Ms. Horwath — Whereas Brampton is one of the fastest growing and most diverse cities in the country, yet remains one of the most underserved cities in Canada in terms of healthcare services and investments; and

Whereas the previous Liberal government ignored the growing health services crisis in Brampton by refusing to build a new hospital; and

Whereas despite the challenges of the pandemic, the Ford government has broken its promise to upgrade Peel Memorial to a full hospital, walking away from the Premier's commitment to build the second emergency room and acute care beds required to address long waits and a lack of capacity in the City's one existing hospital; and

Whereas consecutive Liberal and Conservative governments have repeatedly failed to deliver on promises to improve healthcare in Brampton, despite the need for a minimum of 850 new beds and the construction of a third full-service hospital to address overcrowding and hallway medicine in Canada's ninth-largest city;

Therefore, the Legislative Assembly calls on the Ford government to immediately provide the funding necessary to address the 850 beds needed in Brampton, build a new emergency room and beds at Peel Memorial, and build a third hospital to appropriately address the city's healthcare needs.

Addressed to the Premier. To be debated Wednesday, November 24, 2021

**PRIVATE MEMBERS' NOTICES OF MOTION****AVIS DE MOTIONS ÉMANANT DES DÉPUTÉES ET DÉPUTÉS**

1. Ms. Berns-McGown — That, in the opinion of this House, the Government of Ontario should require Metrolinx to undertake an independent peer review of environmentally sustainable alternatives for rail corridor expansion in the Small's Creek and Williamson ravines in conjunction with local efforts to prevent clearcutting and protect the Small's Creek and Williamson ravines' ecosystems, and a broader, system-wide commitment to environmental stewardship, ecologically sound transit expansion and meaningful community consultation. Filed October 4, 2021.

2. Mr. Schreiner — That, in the opinion of this House, the Government of Ontario shall immediately declare a climate and housing affordability emergency with a commitment to address both through complementary policies, including a massive expansion of affordable, infill housing development, the creation of a “15-minute neighbourhood” framework to be utilized by communities across the province, freezing urban boundaries to reduce sprawl, and the permanent protection of our farmland, wetlands, and other key environmental features. Filed October 6, 2021.

3. Ms. Karpache — That, in the opinion of this House, the Ford government should work with the federal government and immediately conclude an agreement to implement \$10-a-day, licensed, not-for-profit childcare in Ontario. Filed October 6, 2021.

5. Ms. Stiles — That, in the opinion of this House, the Government of Ontario should, as part of an overall strategy to help keep schools open for in-person learning, establish an Ontario Safe Schools plan that includes effective rapid testing for students and education workers; smaller, capped class sizes and adequate spacing on school buses; regular testing and public reporting of classroom air quality; additional learning supports for students adversely impacted by the pandemic; a robust in-school vaccination plan; mandatory COVID-19 vaccinations for eligible students and all education workers; and in-school distribution of masks designed to contain aerosolized particles. Filed October 6, 2021.

6. Mr. Gates — That, in the opinion of this House, the Ford government should, out of respect for the work done by Ontario’s nurses, PSWs and other public sector workers, immediately repeal Bill 124, *Protecting a Sustainable Public Sector for Future Generations Act, 2019* and allow the negotiation of fair wages for their critically important work on behalf of the people of the province. Filed October 6, 2021.

7. Mr. Glover — That, in the opinion of this House, the Ontario Government should protect migratory birds and Ontario’s biosphere by mandating the 2019 Canadian Standards Association Bird-Friendly Design standard for all new construction in the province. Filed October 6, 2021.

10. Ms. Karpache — That, in the opinion of this House, the Government of Ontario should immediately begin the work of delivering on the Truth and Reconciliation Commission’s Call to Action Number 12, with comprehensive consultation from and participation of Indigenous Communities and Indigenous leadership, to develop culturally appropriate early childhood education programs for Indigenous families. Filed October 26, 2021.

11. Ms. Bell — That, in the opinion of this House, the Legislative Assembly of Ontario should work with public health units to establish a provincial maximum temperature standard for rental units to ensure rental units are safe, and a tenants’ right to a reasonable enjoyment of their unit is maintained. Filed October 27, 2021.

12. Mr. Glover — That, in the opinion of this House, the Ontario government should consult with survivors and advocates and amend the *Provincial Offences Act* and the *Ministry of Training, Colleges and University Act* to ensure survivors of human trafficking are not held liable for fraudulent provincial fines and outstanding OSAP debt. Filed October 28, 2021.

Filed November 3, 2021.

15. Mr. Harden — That, in the opinion of this House, the Ford government should, after consulting with the public and municipalities, table legislation that gives municipal councils the ability to independently institute measures to remove members of council who have been found guilty of serious acts of misconduct, including sexual misconduct. Filed November 17, 2021.

16. Ms. Stiles — That, in the opinion of this House, the Ford Government should ensure that our publicly-funded schools meet the needs of their local communities by removing restrictions (*O. Reg. 20/98*) on the collection of Education Development Charges by the Toronto District School Board, and allow all school boards to use revenue collected from Education Development Charges not only for land acquisition, but also for school expansions, retrofits, repairs, and renewal projects.
