1. Ms. Berns-McGown — That, in the opinion of this House, the Government of Ontario should require Metrolinx to undertake an independent peer review of environmentally sustainable alternatives for rail corridor expansion in the Small's Creek and Williamson ravines in conjunction with local efforts to prevent clearcutting and protect the Small's Creek and Williamson ravines' ecosystems, and a broader, system-wide commitment to environmental stewardship, ecologically sound transit expansion and meaningful community consultation. Filed October 4, 2021.
2. Mr. Schreiner — That, in the opinion of this House, the Government of Ontario shall immediately declare a climate and housing affordability emergency with a commitment to address both through complementary policies, including a massive expansion of affordable, infill housing development, the creation of a "15-minute neighbourhood" framework to be utilized by communities across the province, freezing urban boundaries to reduce sprawl, and the permanent protection of our farmland, wetlands, and other key environmental features. Filed October 6, 2021.

11. Ms. Bell — That, in the opinion of this House, the Legislative Assembly of Ontario should work with public health units to establish a provincial maximum temperature standard for rental units to ensure rental units are safe, and a tenants' right to a reasonable enjoyment of their unit is maintained. Filed October 27, 2021.

12. Mr. Glover — That, in the opinion of this House, the Ontario government should consult with survivors and advocates and amend the *Provincial Offences Act* and the *Ministry of Training, Colleges and University Act* to ensure survivors of human trafficking are not held liable for fraudulent provincial fines and outstanding OSAP debt. Filed October 28, 2021.

13. Mrs. Stevens — That, in the opinion of this House, the Ford government should immediately end the automatic deduction of federal disability award payments from Ontario Works and Ontario Disability Support Program benefits received by injured veterans. Filed November 3, 2021.

14. Ms. Khanjin — That, in the opinion of this House, the Government of Ontario should engage in consultations with the Ontario Land Lease Homeowners' Action Group to review the *Residential Tenancies Act*, create land-lease guidance materials to support and inform land-lessees and landlords, and form future policies to protect land-lease tenants. Filed November 3, 2021.

15. Mr. Harden — That, in the opinion of this House, the Ford government should, after consulting with the public and municipalities, table legislation that gives municipal councils the ability to independently institute measures to remove members of council who have been found guilty of serious acts of misconduct, including sexual misconduct. Filed November 17, 2021.

16. Ms. Stiles — That, in the opinion of this House, the Ford Government should ensure that our publicly-funded schools meet the needs of their local communities by removing restrictions (*O. Reg. 20/98*) on the collection of Education Development Charges by the Toronto District School Board, and allow all school boards to use revenue collected from Education Development Charges not only for land acquisition, but also for school expansions, retrofits, repairs, and renewal projects. Filed November 17, 2021.

17. Mr. Gates — That, in the opinion of this House, the Ontario government should follow the lead of eight other Canadian provinces and ensure PSA testing for preventative prostate cancer diagnoses is an eligible procedure for coverage underneath OHIP. Filed November 24, 2021.

18. Mr. Glover — That, in the opinion of this House, the Government of Ontario should increase the transparency of purchasing, owning and living in a condominium unit by enacting legislation that standardizes legal contracts for pre-construction purchases, specifying the size of the unit, amenities and a penalty to developers for not meeting these requirements and/or cancelling projects; ensures all new owners and tenants receive all relevant information regarding their rights, responsibilities, benefits and obligations of owning or living in a condominium unit; prohibits conflicts of interest, mandates automatic disclosure of condo board minutes, protects condo owners from being locked into long-term contracts, and provides a mechanism for condo owners to share their contact information with each other.
