**ORDERS OF THE DAY**

Mr. Calandra moved,

**ORDRE DU JOUR**

M. Calandra propose,

That the guidelines for the television broadcast system be updated to read as follows:

**TELEVISION GUIDELINES**

The guidelines for the television coverage of the proceedings of the Legislative Assembly of Ontario are as follows:

1. The television coverage of the proceedings of the Legislative Assembly should be an accurate, factual and coherent record of the legislative proceedings which is understandable to the viewing public and which does not dramatize or editorialize such proceedings.
2. The guidelines shall be enforced by the Speaker. Specific concerns of Members regarding the televising of the proceedings of the Legislative Assembly should not be raised in the House. Such concerns should be raised in private with the Speaker. The television guidelines shall stand referred to the Standing Committee on the Legislative Assembly. The Committee shall conduct periodic reviews of the televising of the legislative proceedings and consider such matters or concerns as may be referred to the Committee by the Speaker, and it shall report its opinions and observations upon any matters referred to it.
3. The proceedings in the Legislative Chamber beginning with the Speaker's Parade and Prayers until the adjournment of the Assembly shall be recorded, broadcast live on the Ontario Parliamentary Network and streamed over the internet. Proceedings of Standing and Select Committees in Committee Rooms 151, 1 and 2, and media studio press conferences will also be recorded and streamed live over the internet and on the Ontario Parliamentary Network when the House is not meeting.
4. Only the Member who has been recognized by the Speaker shall be the primary focus of the camera shot recorded, broadcast or streamed. If approved by the House, a sign language interpreter may also appear on-screen.
5. The initial shot of the Member shall be of his or her head and shoulders, or medium shot showing some of the Members who are seated on either side of the speaking Member.
6. When the Speaker is standing, the active camera shall always include the Speaker. A wider shot of the Chamber may be used during a division in the Chamber.
7. In Committee of the Whole House, when the Chair of the Committee of the Whole House is speaking, the active camera shall always include the Chair. A wider shot of the Chamber may be used during a division in the Chamber.
8. When the Speaker or the Chair of the Committee of the Whole House is giving a ruling or calling the House or Committee to order, the active camera should include the Speaker or the Chair.
9. Except as provided in paragraph 10, coverage of the legislative proceedings should be limited to the strict confines of the floor of the House and cameras should not deliberately record shots of public interruptions or demonstrations. When the Speaker stands to address a disruption in the public or Members galleries, only the Speaker's microphone will be activated.
10. Medium close-up shots may be taken of any distinguished visitors sitting in the Speaker's Gallery who are introduced by the Speaker.
11. Applause shots may be taken; however care should be taken to ensure that the decorum of the Chamber is maintained.

12. The name, constituency, portfolio and political affiliation of a Member, as the case may be, shall be shown periodically on the screen while he or she is speaking.

13. Factual information shall be shown in print across bottom of the screen from time to time to explain the proceedings. Such information should be shown only after consultation with the Clerks-at-the-Table.

14. The television content which is produced by the Legislative Assembly may be broadcast or streamed by television stations, news organizations and/or cablecast live or by means of recordings.

15. Copies of the proceedings of the Legislative Assembly may be obtained from Broadcast and Recording Service. Access to this service shall be according to the following priority: Members of the Legislative Assembly, officers and officials of the House, members of the press, and the general public. This service shall be provided free of charge. Broadcast and Recording Service will provide a link where the file can be downloaded.

16. Broadcast and Recording Service shall ensure that a complete record of the day's proceedings is archived. This material should be kept indefinitely.
